

Lyttebingo

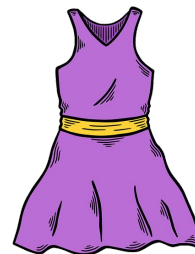

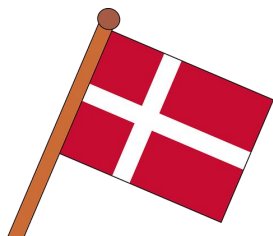

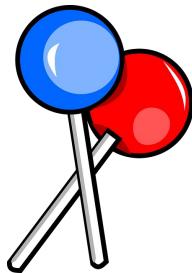

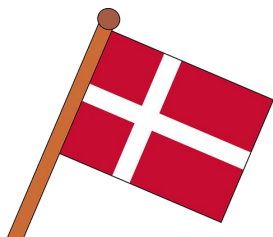

Lisa vågner og springer ud af sengen. Hun er glad.

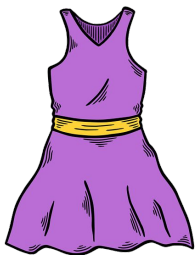

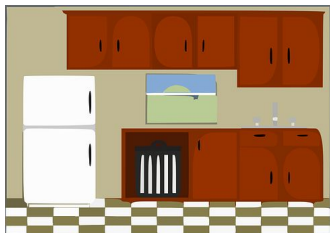

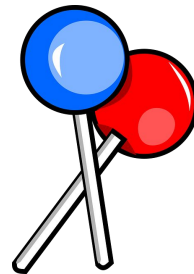

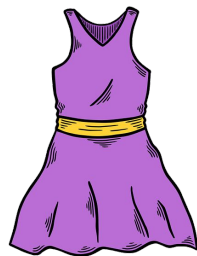

Det er hendes fødselsdag i dag. Hun bliver 10 år.

På en stol ved siden af Lisas seng, ligger der en ny lilla kjole. Lisa tager kjolen på. Hun ser flot ud. “Godmorgen og tillykke med fødselsdagen”, siger far, da Lisa kommer ned i køkkenet. Mor og far har lavet pandekager og der er flag på bordet. Da de er færdige med at spise morgenmad, skal Lisa i skole. Hun får en pose med slikkepinde med. Dem skal hun dele ud i klassen. Når hun kommer hjem, skal hun have lagkage og gaver.
